using LEDs are becoming increasingly popular. There is a need for innovations in lighting fixture optics. This, in turn, will provide a better illumination system and increase the lifetime of the lighting fixture. Additionally, there is a need to provide more than one color of light from a lighting fixture. This, in turn, will enhance the user experience. Therefore, there is a need for innovations in lighting fixture optics, including LEDs. BrickWorks, based in Saline, runs a barber shop and party center in St. Clair County.
