**Configure Module Naming Convention**

Feel free to name the modules to your liking! You can now change our naming convention for our modules with the below form to the names which you may better identify or remember.

The changes applies to the Menu Sidebar links to access each module as well as the TAB of the module details.

Original Module Name	Your Custom Module Name
R.C.C.Provisioning Module	<input type="text" value="R.C.C.Provisioning Module"/>
R.C.G.Provisioning Module	<input type="text" value="R.C.G.Provisioning Module"/>
R.C.P.Provisioning Module	<input type="text" value="R.C.P.Provisioning Module"/>
R.E.E.Hosting Module	<input type="text" value="R.E.E.Hosting Module"/>
